FRANK CLEAR RESOURCES LIMITED

Frank Clear Resources is a total logistics solution company with vast experience in the shipping/ logistic industry.

FCR is a wholly Nigerian company, created to met the demand for efficient, creative and flexible delivery of transport solutions in the fast paced Oil and Energy sector. This means that we are able to customize solutions and services to met the peculiar needs of our clients without compromising quality.

the company was incorporated in 2007 (RC 689463) as a shipping company as well as an agent in the Nigerian Maritime and transport industry. FCR boasts of highly trained and experienced management team, most of whom have over a decade industry experience and invaluable contacts.

We offer highly competitive and timely solutions in Temporary Importation processing, documentation, Clearing and Formalization. here our experience and contacts developed over years come in handy.

As Ships Agents, we offer efficient and quality services on port calls of vessels and sundry activities geared towards timely operation (i.e Arrival and Departure) and Cargo delivery. This we do in full compliance with the best practiced HSE Standards.

We keep a valued workforce that is responsible, professional, imbued with tea spirit and is result driven.
